

## **Notice: Power cut throughout the hotel to accommodate the legally mandated inspection of electrical facilities**

At Hotel Vischio Amagasaki by GRANVIA, we will be performing a regular inspection of electrical facilities on the dates designated below, as mandated by the “Safety Regulations” in the Electricity Business Act. During the inspection, you will be unable to use any of the electrical facilities (lights, TV, refrigerator, Wi-Fi, etc.) in the hotel (including the guest rooms). We sincerely apologize for the inconvenience, but we humbly request your understanding and cooperation.

### **<Dates and times of legally mandated inspection of electrical facilities>**

**January 14, 2020 (Tuesday): 1:00 a.m. – 5:00 a.m.**

Actual times may vary slightly depending on how long the inspection takes.
