Notice of Change to Buffet-style Food Service

Thank you very much for your continued patronage of Hotel Vischio Amagasaki. Due to the ongoing spread of the new coronavirus, starting on Mar 5, 2020 (Thu) and continuing for the foreseeable future, at Café & Restaurant West River the buffet food service for breakfast and lunch will be changed to “set menu” style. In addition, we temporarily close dinner.

We greatly appreciate your kind cooperation and understanding.
